

Australia Day Weekend 2020,  
January 25th, 26th & 27th

2020 sees the 7th Inverloch Classic Wooden Dinghy Regatta hosted, organised and run by the South Gippsland Yacht Club. All wooden dinghies are welcome and the sailing on the inlet will be colourful and close as always. The Regatta's rationale is to encourage the rescue, restoration and sailing of the many classic wooden dinghies that have graced our waters over the last 100 years.

Come and experience some of Inverloch's maritime history and see the beautifully restored classic wooden dinghies at the 2020 Regatta.

With past themes including Australian Sailfish, celebrating the 90th anniversary of the International Moth Class and a focus on Jack Holt dinghies, this year we emphasise the long history of Aussie Skiffs, the evolved descendants of which race on Sydney Harbour all summer in a very spectacular series.

### Highlights

- ◆ Beach Displays—chat with the owners & crews
- ◆ Sailing Activities—races and social sailing
- ◆ Model Boats & Historical Displays in The Hub
- ◆ See Errol Flynn's skiff
- ◆ Classic Cars in The Glade
